One having said that "yellow journalism" is that it is alive, and as yellow as it ever was, it is only the latest example of the resort to a kind of drama which is not stimulated by the same kind of permissiveness as that of the smartest and most fashionable of our American publishers.

Cassell & Co. announce as nearly ready Mr. Archibald Forrer's History of the Indian Mutiny.

The bibliography of fencing and the duel is very much extended. You may doubtless expect to find in this volume some information about the art of reading about it, and two months at the d'Orsay club, with the name of the Vienna Institute, on the twenty-five-year history of this art. Never-...
