

April of England

By A. Myron

(Written in South Africa)

APRIL of England,
Oh, for the breath of you,
Oh, for the light of you,
Oh, for the heart of you.
I am so far from you,
I am so far from you,
April of England.

Hearts for the light of you,
Hearts for the breath of you,
Die for the lack of you,
Die for the lack of the love and the kiss of you,
Die for the lack of the kiss and the love of you,
Kisses and love of you,
April of England.
